

MAXIMIZE AVAILABLE CASH AND MAGNIFY THE PATIENT EXPERIENCE

Revolutionize the refraction process, enhance the patient experience, and grow your business with the Vision-R 700 Refraction System and/or the Vision-S 700 Refraction Station

VISION-R 700 REFRACTION SYSTEM

- **Fast, easy to perform**, 3-minute refractions with secured accuracy lessens visual fatigue for patients
- **Easy to handle** compact size
- **Silent lens** changes minimize distractions
- **Utilizes natural field of vision** improving patient comfort

VISION-S 700 REFRACTION STATION

- **Frees up space**: A refraction room in one small device
- **Concentrates a complete refraction experience** into an immersive station that allows patients to see the prescription in action and builds confidence for additional purchases
- **Increases refraction capacity** to boost your business
- **Provides high degree of accuracy** with rapid 3-minute refractions

HERE ARE SOME OF THE GREAT REASONS TO FINANCE YOUR EQUIPMENT WITH ESSILOR INSTRUMENTS FINANCE.

- **Integrated and streamlined process**: We strive to make financing easy for you, so you can focus on your patients and other important daily functions.
- **Conservation of capital budget**: Maximize available capital; avoid a large upfront cash outlay and pay over time. Since money is not tied up in equipment costs, it is free to be spent on other items, such as supplies, personnel and training.
- **100% financing**: Total investment can be financed.
- **Flexibility**: You can select a payment option that best fits your budget. We will help you structure the “right” transaction.
- **Easier cash flow forecasting**: Transparent and fixed monthly payments help you to better budget money for the term of the agreement.
- **Fixed payments**: By locking in payments now, you can avoid potential inflation risk.

Financing is subject to credit approval and completion of all required documentation, subject to the sole discretion of De Lage Landen Financial Services, Inc. (DLL).
